I'm an experienced JavaScript backend Developer with a passion for building scalable and efficient web applications. Proficient in JavaScript, Node.js, Next.js. I have a solid understanding of backend development principles and a keen eye for detail and neatness. I am eager to contribute my technical skills and collaborative mindset to a dynamic development team, while continuously expanding my knowledge and staying up-to-date with the latest industry trends.

## Work Experience

---

### Software developer and Tech Support Intern

NIGERIAN PORT AUTHORITY (NPA)-Lagos
